

It is hard to believe that we only have just over three weeks left at school. This academic year has just flown by!

School Trips

In the last few weeks, we have had a number of trips and visits take place. It has been a very busy time!

The children in **Year 6** have just returned from their residential visit to Edinburgh. They travelled by train and stayed in the centre of Edinburgh from where they visited Edinburgh Castle, Dynamic Earth and the Camera Obscura as well as looking at some of the city’s landmarks. The behaviour of the children was exemplary throughout the whole trip. Mr Woollias, Mrs Dines, Mrs Donnelly, Miss Lawrence and all the children had a wonderful time!

Year 5 children took part in our annual day visit by train to London where they will had a tour of the Houses of Parliament as well as seeing some of the sights of London. Children from **Year 3** and **Year 4** enjoyed a day out at the Dalton Estate where they learned about countryside jobs and crafts. Children from across the school, who access our Hub, had a successful day trip to The Deep.

In addition to this, we have had smaller groups of children attending sports festivals as well as science, maths and writing workshops at venues across the city. We are very proud of how our children behave and their wonderful manners when they are taken out of school. Well done!

School Choir 

The choir are now in their final preparations for their appearance at the Music for Youth National Festival on Friday 7th July. The children will travel to Birmingham and will perform alongside groups from across the country in the Birmingham Town Hall. This is a very prestigious event and we are immensely proud that children from our school have been chosen to perform. What talented children we have!
