Debate – Hull Tigers name change

Maths

As Mathematicians:

We will solve number problems related to money.

We will create statistics based on our own research.

Science

Forces:

- We will explain how the force of gravity works.
- We will identify the effect of drag forces.
- We will understand how force and motion can be transferred.

Properties and changes of materials

- We will conduct experiments into how some materials dissolve in a solution.
- We will investigate irreversible changes.
- We will explain the difference between reversible and irreversible changes.

Geography

As Geographers:

- We will use maps, atlases, globes and digital/computer mapping to locate countries and describe features of the origins of Para Ice Hockey.
- We will explore the locations of famous sporting landmarks in Hull: we will identify the key physical and human features of their location.
- We will name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns; and understand how some of these aspects have changed over time.

Made in Hull
Why is sport so important
to Hull?
Year 5 Spring

History

As Historians:

- We will look at the origins of Hull KR and Hull FC – how and where did they originate?
- We will use sources of evidences to deduce information about the past.
- We will use dates and terms accurately in describing events.

Art

As Artists

- We will explore the qualities of materials in order to enhance our artwork.
- We will use the qualities of watercolour and acrylic paints to create visually interesting artwork; based on the art of Henri Rousseau.
- We will choose techniques to enable us to depict movement and shadow in our art work.

Design and technology

As Design Technologists:

- We will build 3D models.
- We will cut materials with precision and refine the finish with appropriate tools.
- We will show an understanding of the qualities of materials to choose appropriate tools to cut and shape.

Computing

- We will record and edit videos.
- We will edit and improve our English work using our ICT skills.
- Use a range of applications and devices in order to communicate ideas and messages.

Music

As Musicians:

- Sing or play from memory with confidence
- Perform with controlled breathing (voice) and skilful playing (instrument).

R.E

- Show an awareness of morals and right and wrong beyond rules.
- Express their own values and remain respectful of those with different values

P.E

As Athletes:

- Develop an understanding of different sports played in Hull.
- Uphold the spirit of fair play and respect in all competitive situations.

Creativity Driver

During our term we will develop and write scripts for our internet channel.

We will create a brand and logo for our internet sports channel.

Social and Emotional Well-being Driver

We will explore our responsibilities for being good human beings; we will explore the difference between right and wrong.

Enterprise Driver

We will create our own sports based internet channel reporting on sport going on around Hull.

We will develop our awareness of disability sport in the city.

Basic Skills Driver

We will write stories, diary entries and persuasive pieces of writing. We will read and retell our Talk for Writing Text..

We will develop our communication and spoken language skills through debates and discussions.
