

English

-We will learn our Talk For Writing story of 'The Three Little Pigs'.

-We will use this text to help us write our own story.

Maths

As Mathematicians:

-We will be learning the numbers to ten.

-We will be learning numbers bonds to ten.

-We will be learning how to add and subtract numbers within ten.

Science

As Scientists:

-We will be identifying and naming a variety of everyday materials, including wood, plastic, glass, metal, water, and rock.

-We will be describing the simple physical properties of a variety of everyday materials.

-We will be comparing and grouping together a variety of everyday materials on the basis of their simple physical properties.

History

As Historians:

-We will learn the difference between things that happened in the past and the present.

-We will be looking at the changes to homes within living memory.

Autumn 1 2017
Year One
The Three Little Pigs

Geography

As Geographers:

-We will be using simple fieldwork and observational skills to study the geography of the school.

Art

As Artists:

-We will be using a range of materials creatively to design and make products.

-We will be using drawing, painting and sculpture to develop and share their ideas, experiences and imagination.

Design and technology

As Design Technologists:

-We will be selecting from and use a wide range of materials and components to be able to construct a stable house.

-We will build structures, exploring how they can be made stronger, stiffer and more stable.

Computing

As programmers:

-We will learn how to write a simple algorithm.

Music

As Musicians:

-We will take part in singing, accurately following the melody.
-We will follow instructions on how and when to sing or play an instrument.

-We will make and control long and short sounds, using voice and instruments.

-We will imitate changes in pitch.

R.E

1.2 New Beginnings
How can we keep the world special?

-We will explore creation stories and learn how to keep the world a special place.

P.E

-Bat and ball skills.

-Gymnastics.

Creativity Driver

-We will be interacting with a range of materials to be able to work out which material is the most suitable for building structures with.

Social and Emotional Well-being Driver

-We will discuss what it must feel like to be the wolf within the story.

Enterprise Driver

Linked to music:

-Children to create a performance for parents based on what they've learned in music over the half term. Children to make posters and tickets to sell.

Basic Skills Driver

-We will use the writing area to write stories.

-We will use the maths area to reinforce strategies and calculations taught within the session.
